Before your child's photo, writing, or artwork can be displayed on the school or district website, we must have parental permission. Because once material is posted, it can be seen by people all over the world, we request that parents sign this permission form. Before any student's work or picture is placed online, the teacher responsible checks the file for parental permission. For security reasons, only first names will be used and work will appear with a copyright notice prohibiting the copying of such work without express written permission. In the event anyone requests such permission, those requests will be forwarded to the parents. No home address or telephone number will appear with such work. A copy of the picture or material is available. If you have any questions or to request the removal of a student picture or school work, please contact the school office.
